Drug Endangered Children (DEC) Awareness Trainings

Children are impacted on a daily basis by their parents or caregivers substance misuse; often these children are the first impacted and the last ones to be identified and to receive services.

Come learn and join the conversation facilitated through the free training so you can help children in your community.

DEC Awareness Training

- Helps attendees gain awareness about drug endangered children and the risks they face
- Discusses the importance of overcoming the challenges of identification of children
- Explores how collaboration between disciplines can change the trajectories of the lives of drug endangered children and break multigenerational cycles of abuse and neglect.

Children + Drugs = RISK
